

Changing the
healthcare experience
for every human
involved

**Who is
Olive?**

Olive Helps is a **digital assistant** and a **app store** designed to **optimize the Healthcare worker experience**

Olive Helps enables MSPs to:

- **Expand quickly in Healthcare**
- **Rapidly Add value**
- **Enhance existing Healthcare tools**

93% of healthcare workers
are experiencing increased
stress, fatigue, grief, and loss

They are:

Overloaded

Burnt out

**Experiencing high
turnover**

Olive Helps

Minimize the burden

by sensing what a user needs and then surfacing the right information at the right time.

Decrease employee turnover

by empowering healthcare workers and improving their day-to-day experience at work.

Reduce errors

by reducing the friction in workflows and increasing the accuracy of the work

Olive Helps

Increase your reach and value

Olive provides an opportunity to drive recurring revenue with a larger customer base.

Empower healthcare workers immediately

Fast and compliant, Olive Helps is easy to deploy and free to install.

**HIPAA
compliant**

**SOC Type 2
certified**

**HITRUST
certified**
