

# From Day One, Webex Has You Covered

Implementing a new software can seem complex. Our team is here to simplify your Webex adoption journey and help you achieve your business outcomes. [Essentials.webex.com](https://essentials.webex.com) is your go-to resource for guidance, learning, community and help to support you—every step of the way.

## Your adoption journey at a glance

### Plan

Onboard and implement

We'll help you plan for success, set attainable goals to drive your business outcomes, and show you how to deploy and implement Webex.

### Launch

Use, engage, and adopt

Once you've implemented Webex, you'll move on to onboarding users. Don't worry, we're here to help you identify early adopters, leverage key business metrics for adoption, and more.

### Grow

Optimize and champion

Here, you'll focus on driving adoption by highlighting everything Webex can do. We'll share all the new features, upgrades, and capabilities with you to pass on to users so you can maximize your Webex investment.

# Webex Customer Success Takes the Guesswork Out of Remote Collaboration

Turn your team into Webex power users, while saving time and resources on training. From onboarding emails, in-product tips and a collection of adoption resources available on [essentials.webex.com](https://essentials.webex.com), your end-users and admins will be empowered to quickly leverage the full power of Webex.

## Resources

Explore our resources, articles, classes, and more to learn how to get started, what must-have features you should be using, and even how to fully deploy Webex to your organization.

Here are some of the resources we'll send out in just the first three days:

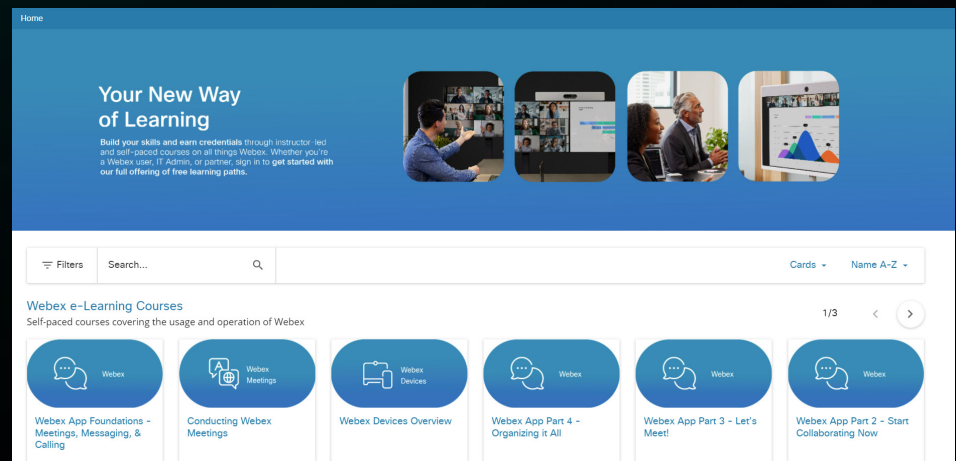

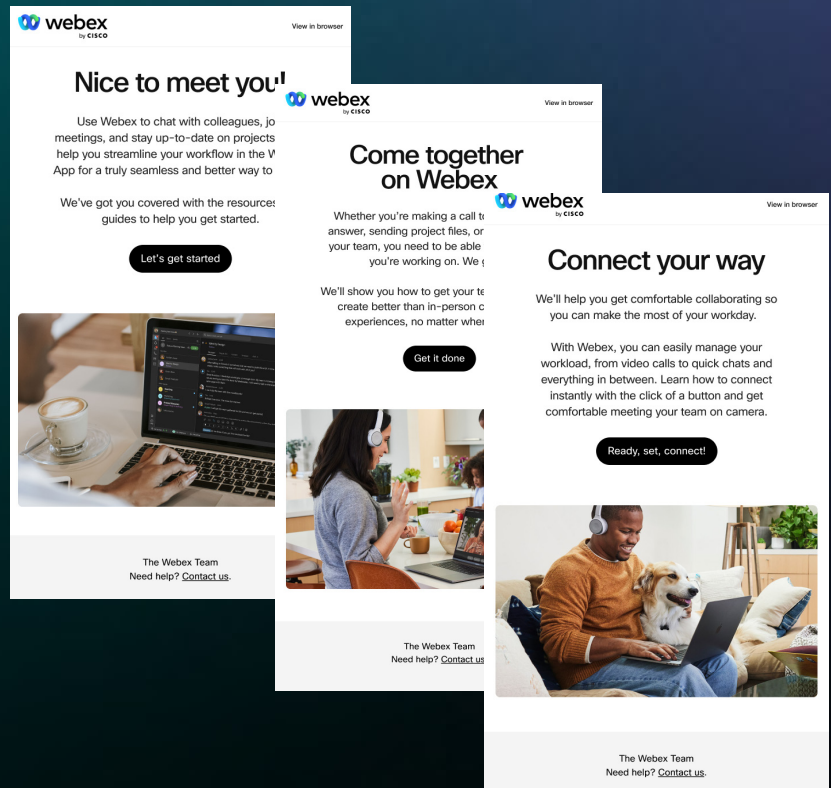

## Webex e-Learning Courses

Study up on all things Webex at your own pace. Have your team train themselves on everything from foundational information like navigating the app and setting meetings to more advanced processes like setting preferences and troubleshooting. Visit [golearn.webex.com/learn](https://golearn.webex.com/learn)

## Ask the Community

With ever-growing monthly traffic of more than 70,000 visitors and more than 300 monthly discussion posts, the Webex community forum is a highly active space with experts and ambassadors answering any questions anyone might have. Search through thousands of Q&As for an answer or ask a new question yourself! Start a conversation at [community.cisco.com/](https://community.cisco.com/).

# Become an Ambassador as you grow with Webex

The Webex Ambassador Program provides specialized learning credentials across the Webex collaboration suite. Get recognized for your knowledge, share your expertise, and influence Webex innovation with your insights

## Visit the Help Center

Some quick exploration at [help.webex.com](https://help.webex.com) will usually yield an answer to any questions you have. If you're still not finding an answer, you can chat with a live agent or open a case at [help.webex.com/contact](https://help.webex.com/contact). For urgent issues, you can call us at +1 866-229-3239.
